

## Panda Express

Art Projects Gallery's upcoming group show is inspired by everyone's favorite monochrome cuddlecreatures. It celebrates the gallery's new location at PMQ, as well as the 1,600 papier-mâché pandas currently on display in the arts complex. More than 17 artists will showcase new art—such as this piece from local illustrator Carmen Ng. Actress Karena Lam is also joining the cause with her own creations. With part of the proceeds going to the WWF, everything on display is on sale for a very affordable \$1,600 each. That's probably enough to feed a baby panda for like, a day? Jun 24-Jul 1.
